

Fast and easy, MC Strategies' **Direct On-Line** gives healthcare organizations or individual departments the ability to quickly engage in a cost effective, e-learning solution.

MC STRATEGIES DIRECT ON-LINE PROVIDES AN EASY OPTION TO DELIVER ON-LINE TRAINING

MC Strategies' **Direct On-Line** provides an easy option to deliver on-line training across the enterprise or to individual departments - without the administrative responsibilities of a full-scale learning management system.

With our fast and easy **Direct On-Line** solution, there is no system training required and start up time is minimal. Enjoy many of the following streamlined features along with access to world renowned Elsevier content:

- › **Learner Self-Registration** – establish assignments and allow learners to self-register, view their assignments and begin training
- › **Assignment Manager** – create and manage learner assignments
- › **Personal Manager** – learners view their calendar, link to trusted outside references, and make notes relative to their training activities as an aid to learning
- › **Report Manager** – just the right amount of information to meet your compliance, regulatory, and organizational reporting needs
- › **Transcript Reporter** – learners view and print transcripts and certificates
- › **Announcement Manager** – communicate policy changes and other important information and record learner's acknowledgement in their transcript

MC Strategies' Direct Online Services

Designed for self-maintenance, MC Strategies' **Direct On-Line** customers still enjoy the world-class services that characterize the unique advantage of our solutions:

- **Help Desk Support** - provided by a dedicated and experienced service team
- **Product Updates** - keep you apprised of important changes and offer tips to help you work more efficiently
- **Content Updates** - licensed content ensures that you'll always have the most current information available
- **Continuous System Enhancements** - are implemented from customer requests and suggestions

Content

MC Strategies' content library includes over 5,000 lessons in areas critical to running a successful healthcare operation, such as Coding/Compliance, HIPAA, Nursing and Management Leadership Skills. In order to provide you with pertinent information, MC Strategies has teamed with major providers including JCR, ENA, AACN, HFMA, HIMSS. **Direct On-Line** provides you the means to deliver any of these lessons with a cost-effective, efficient approach for your organization.

Elevated by our superior content and world-class customer service, MC Strategies' **Direct On-Line** truly puts the power of technology to work for your organization anytime, anywhere, with a solution specifically designed for the healthcare and allied health industries.
